

AGI Used Equipment Inventory

Advanced Glass Industries buys and sells used equipment. We are always looking for: Centering/Edging Machines, CP Polishers, Instruments (Interferometers, Autocollimators, Polariscope, Etc), Ultrasonic Degreasers, Hot Plates (Electric). We are currently in need of **PR Hoffman 66T Double Sided machines and CP Polishers 48" or larger**. If you are interested in any of the available machines below or you believe you have something for us please contact Anthony Marino.

Spindle Polishers

- 1 spindle polisher, Saga, 100R Model 66SR, 8" capacity
- 1 spindle polisher, Saga, 100R Model SA27, 8" capacity
- 1 spindle polisher, Saga, 200 Model, 8" capacity
- 1 spindle polisher, Saga, 100R Model 127SR, 12" capacity
- 1 spindle polisher, Saga, 200 Model, 14" capacity
- 1 spindle polisher, Strasbaugh, Model 6-T
- 1 spindle polisher, Strasbaugh, Model R6Y-1
- 1 spindle polisher, Strasbaugh, Model 6BGDC
- 1 spindle polisher, Strasbaugh, Model 205-1-72 SR, 6" cap.
- 1 spindle polisher, Strasbaugh, Model 119-2-66, 6" cap.
- 1 spindle polisher, Strasbaugh, custom unit with double eccentric 8" capacity
- 1 spindle polisher, Strasbaugh, Model 6AD-1, 12" capacity (2 units)
- 1 spindle polisher, WinZip, 12" capacity
- 1 spindle polisher, homemade, 12" capacity
- 2 spindle polisher, Kyotsu-Seiki KOH 0Z-S2/P2, 4.5" capacity, for steep radius work (2 units)
- 2 spindle polisher, Strasbaugh 6UR-2, 8" capacity, one spindle not working
- 2 spindle polisher, Strasbaugh, 8" capacity, one spindle missing
- 2 spindle polisher, Strasbaugh, Model 6DE-DC2, 10" capacity
- 3 spindle polisher, Alfa American, weighted pressure, 8" cap.
- 3 spindle steep radius polisher, Optotech, 2" capacity
- 3 spindle polisher, R & C, 12" capacity
- 4 spindle polisher, Kwangjin, 3.5" capacity
- 4 spindle radius polisher, R & C, air pressured, 4" capacity
- 4 spindle radius polisher, R & C, air pressured, 8" capacity (2 units)
- 4 spindle polisher R & C, air pressured, 12" capacity
- 4 spindle polisher, Strasbaugh Model RGDE-4, 8-10" capacity
- 4 spindle polisher, Udagawa, spring tensioned, 12" capacity
- 5 spindle polisher, CMV 5/25, 3" capacity
- 6 spindle polisher, Unknown Style, 6" capacity
- 6 spindle polisher, SSP-6SD-SYU, 4" capacity
- 8 spindle polisher, Dama, 3" capacity
- 10 spindle polisher, Nord, air pressured, 10" capacity

Double Sided Polishers

- SPM (Speedfam Clones), 10" capacity, 5 carriers (6 units)
- PR Hoffman model 66T with lift, stainless steel

CP Grinders/Polishers

- Lapmaster 36" CP
- 60" CP, not complete

Rotary Grinders

- Blanchard #11

Centering and Edging Machines

- Huffman CNC diamond edger 12" capacity
- Kwangjin glass edger with a 4"/100MM capacity, KJ-100
- LOH edger, Model LZ80 (3 units)
- Saida Seiki edger

Generators

- Coburn generator, Model 604
- LOH Horizontal generator 3" capacity
- Mildex GMV 125 generator, 6" capacity
- Rogers and Clarke G-300 generator
- Rogers and Clarke G-150 generator
- Strasbaugh generator, 12" capacity, needs work
- Strasbaugh 7DR generator, 18" capacity (2 units)
- Strasbaugh 7M generator, 20" capacity (2 units)

Saws

- Cut off saw, small 6" OD blade
- DoAll diamond band saw, Model 67060
- DoAll Hydro diamond band saw
- Felker cut off saw
- Haric dicing machine model 618 Slicer
- Gray cut off saw
- Meyer Burger slurry saws GS1 (2 units)
- Meyer Burger wire saw, DS 264/4, **2009** (1 unit)
- Strasbaugh OD saw auto drive, Model 10H

Miscellaneous

- Motorized hand beveling machine, 8" capacity (2 units)
- C-face reducer, Tigear, Size 035B010M180LI, **new**
- Grinder, rough abrasive manual overarm, 12" max plate
- Grinder, side sided PR Hoffman, Model PR-2
- Milling Machine, MSG Bridgeport style
- Moore jig bore #3
- Oven, Linberg Conveyor, Model 821
- Precision honing machine, Sunnen
- Pump, Flex-Flo, A-1630-6 (8 units)
- Pump, Hydromatic, OSP33BRA1 (15 units)
- Pump, Serfilco Ltd, C143T34FC11E, **new** (3 units)
- R&C pit grinder, Model 24POL, 16" capacity
- Strasbaugh pit grinder, Model 6X, 20" cap. (2 units)
- Surface grinder, Manhattan Supply
- Tool grinder, GP GOERZ
- Vibration isolation table, TMC, 60" x 60"
